Serving the  
Queer & Straight  
Community!

The Tribe is the young adults ministry of Metropolitan Community Church, Los Angeles (MCCLA). Our goal is to reach out to younger queer folk in our community—a safe place for us to get together and talk about the issues we face, to go deeper in our spiritual lives, and to have fun! You do not have to be a member of this church, or of any church, to be part of The Tribe.
